

Your miles can take you places with Delta Vacations.

Use your miles to pay for getaways while earning miles along the way, exclusively with Delta Vacations.

USE MILES:

- To pay for just a little or everything, including flights, stays, rides, activities and more.
- For anyone in the same booking, plus SkyMiles® Members® will still earn miles for redeeming miles toward vacations.
- On getaways to over 300 destinations across the globe – at any time.
- Plus, there's no minimum or maximum amount of miles, no blackout dates, and no promo code is needed.

HOW TO PAY WITH MILES:

1. Your travel advisor will create a booking via WorldAgent Direct or through the Customer Engagement Center.
2. Your travel advisor will provide you with the booking number and WorldAgent Direct SMS number (1-833-312-3048) to start a chat/text to apply your miles as payment. The required deposit on your bookings needs to be paid in full before miles can be applied. Miles will not be accepted as form-of-payment unless it fully covers, or exceeds, the deposit amount.
3. Next, you'll text the WorldAgent Direct SMS number (1-833-312-3048) stating you would like to pay for your booking using miles.
4. A Customer Engagement Center messaging agent will send the SkyMiles Verification secure form to you to complete the verification process.
5. You'll chat with a Customer Engagement Center messaging agent about the number of miles you would like to redeem.
6. A Customer Engagement Center messaging agent will apply the payment using miles and will refer you back to your travel agent for any additional questions.
