Benefits

Only with ROLZO.

Working with ROLZO gives you unique global access to exclusive benefits. We tailor our service to meet your business needs and align with your ways of working.

All-inclusive pricing

No surprises or hidden fees – just transparent, all-inclusive pricing agreed and confirmed before booking.

Earn more

Increase your revenue with ROLZO – we'll give you a commission or a discount on every booking.

Pay in your own currency

Choose your preferred currency for seamless payments, no matter where the service takes place.

Security and data encryption

Secure your data, payments and communication with ROLZO's encrypted system for complete protection.

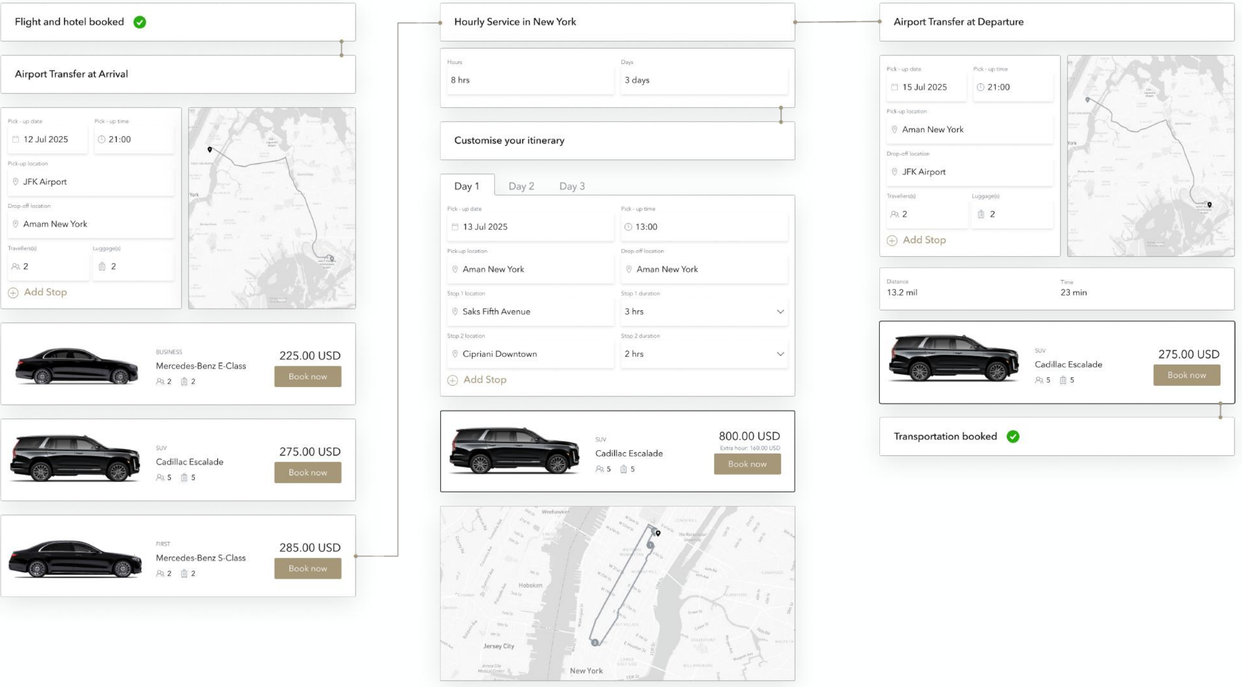

Make your brand shine

Elevate your brand with ROLZO. Your logo will be featured on booking documents and airport pick-up signs.

Collaborate with your team

ROLZO enables seamless teamwork on bookings, allowing your team to work together more efficiently and effectively.

API Integrations

Integrate ROLZO into your platform.

> Streamline operations, elevate your clients' experience, and drive revenue growth with ROLZO's seamless integration options — all directly through your website, platform or app.

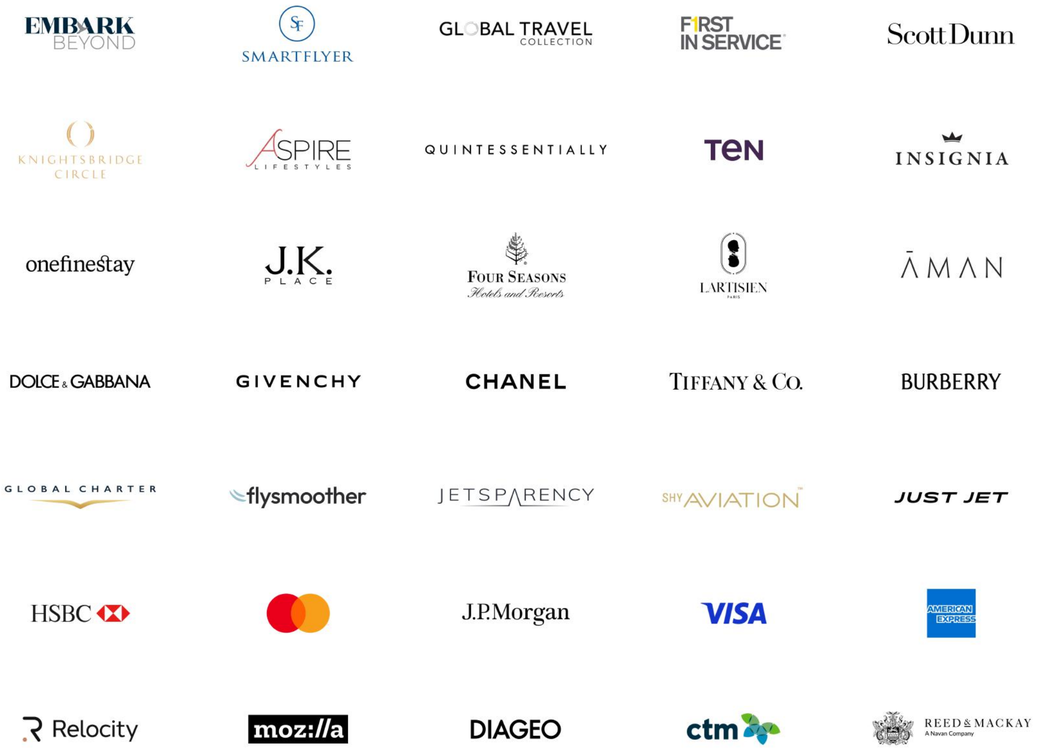

- Airport transfer at Arrival
